

Footpath Dining & Display of Goods within the Gladstone Region

Footpath dining and display of goods within the Gladstone Region local government area does not require a permit approval unless the activity is outside of the minimum standards outlined within Subordinate Local Law 1.2. The activity must adhere to the below requirements:

- Footpath dining must be limited to the footpath adjoining or in the vicinity of a licenced café, restaurant, takeaway food shop or similar premises which are operated by the person undertaking the activity.
- The sale of goods must be limited to the footpath which is adjoining or in the vicinity of the retail premises selling the goods.
- The area utilised for the footpath dining and/or display of goods must keep and maintain a clear unobstructed pedestrian corridor of a distance no less than 1.5m.
- Remove all structures including goods for sale, tables, chairs, fixtures, fittings and equipment when the premise is closed.
- Keep and maintain the area utilised for footpath dining and display of goods in a clean, sanitary and tidy condition at all times including all tables, chairs, fixtures, fittings and equipment.
- Keep and maintain waste bins (waste disposal facilities) within the utilised area and, ensure the removal of waste from bins to minimise overflow.
- Only use furniture which is in an aesthetically acceptable condition and proper state of repair.
- Regularly clean the area during business hours and daily after close of business.
- No umbrella is to be utilised in the footpath dining area unless it has a clearance more than 2m above ground level and is securely anchored to the ground.
- The display structure is to be a safe construction and in good condition and repair.

- The goods for sale are to be displayed in an orderly and sightly condition.
- Footpath dining and display of goods must not cause a nuisance, create a road safety risk or interfere with the use, enjoyment or personal comfort of any user of the area.

Insurance Requirements

- You must hold Public Liability Insurance of no less than \$20 million and be issued by an entity licenced under the Insurance Act 1973.
- Your Policy must provide indemnity for each individual occurrence, and against property damage and must have Council listed and insured as a third party beneficiary.
- You must be able to produce a copy of each insurance policy on demand by an Authorised person.

If the footpath dining is outside the minimum standards outlined above, the business owner will be required to submit an application for approval to Council. For further information or enquiries please contact Council's Environmental Health Unit on (07) 4977 6821.
