Accommodation	<p>Heron Island Resort – 25% off rooms</p> <p>The Southern Great Barrier reef is right on Gladstone’s door step? Boasting some of the best scuba diving and snorkelling on the Great Barrier Reef, Heron Island offers a unique experience where you can truly immerse yourself in the beauty of nature. Among the music of seabirds, tracks of turtles and clouds of multi-coloured fish, the feeling that you're a guest of nature itself is inescapable. Surrounded by 24 square kilometres of reef, the island is home to a resident population of over 5,000 green and loggerhead turtles - with many more returning each year during breeding season. There is one resort on the island, Heron Island Resort, which offers several standards of accommodation designed to suit all tastes and budgets. Guest of Heron Island Resort can access the island via boat transfer, which regularly departs from the Gladstone Marina. Alternatively begin your holiday with a scenic seaplane flight between Gladstone Airport and Heron Island.</p>
