Boyne Island Library Christmas decorating extravaganza

With the festive season in full swing, it could only mean one thing...it's time for the 17th annual Boyne Island Library Christmas Tree decorating extravaganza.

This much-loved local event gathered hundreds of merry residents last year, and this year will be no exception.

Gladstone Region Mayor Matt Burnett said members of the community are invited to come along for an afternoon of family fun.

"It's not only an opportunity for the children to make decorations for the Christmas tree, but for families to come together during the festive season," Cr Burnett said.

"It will be an awesome afternoon, with plenty of entertainment and even a special guest handing out bags of lollies."

Entertainment will be provided by the Boyne Island State School Band and the Tannum Sands School Choir.
