Community to celebrate festive season at Mayor's Carols

Gladstone Region residents will come together for a night of Christmas festivities when the 2018 Santos GLNG Mayor's Carols presented by 4CC, is hosted by the Gladstone Ports Corporation on Friday 7 December, 2018.

A night to sing, dance and be merry, Gladstone Region Mayor Matt Burnett said the event gets bigger and better each year.

"The Mayor's Carols is a long-standing tradition within the community," Councillor Burnett said.

"Seeing our community come together to celebrate is what the festive season is all about.

"We have a region bursting with talent, so this is a great event to highlight that.

"I can't wait for everyone to see what we have in store for the night, and I warmly invite everyone to come along."

Santa Claus won't be the only special guest for the night, with Australian singer, actor, producer and TV personality Mark Holden making an appearance.

Event details:
