Views sought on proposed Boyne Tannum Aquatic Recreation Centre

Residents are invited to provide their feedback about the proposed Boyne Tannum Aquatic Recreation Centre at upcoming community engagement sessions.

A consultation session will be held at the Heron Room, Boyne Tannum Community Centre, Cnr Wyndham and Hayes Avenue, Boyne Island on Thursday, 7 March from 5.45pm to 7pm.

Gladstone Regional Council officers will seek public feedback via a survey and poll asking for residents' preferred location for the proposed facility and features they would like to see included.

Community members who are unable to attend either community engagement session can still have their say by completing Council's Proposed Boyne Tannum Aquatic Centre survey online at: <http://bit.ly/BoyneTannumARCCommunitySurvey>

The consultation period closes at 5pm on Friday, 8 March and result being made public in April, 2019.
