Handy Hints

Please ensure your bin/s are placed out on the kerbside before 6.00am on collection day to ensure your service is not missed.

Please rinse and place items loosely in your Recycling Bin and not in a plastic bag.

Your recycling bin will be collected on the same day as your garbage bin fortnightly.

Please ensure no large pieces of timber or steel are placed in either your general waste or your recycling bin.

Green waste is not classed as general waste or recyclable waste; please dispose at any of our many Transfer Stations.

Excessive weight may prevent your wheelie bin from being collected.

Please report damaged bins to Council for us to assist with repairs or replacements.
