CERTIFICATION BY APPLICANT

I hereby certify that:

1. I am the relevant person with authority to make this application and the details provided in this application are correct.
2. I acknowledge that if this application is for a Non-Standard Connection that I have attached all relevant site plans and hydraulic plans otherwise it will be deemed not properly made.
3. I acknowledge that until payment is received the requested connection cannot be installed.
4. I acknowledge that submission of this application does not constitute grant of approval and Council reserves the right to refuse this application.
5. I acknowledge that the installation timeframe may be subject to change if any non-standard matters are identified which may impact upon Council's meter installation, including but not limited to sites where vegetation is impeding Council's service delivery and where cultural heritage matters require that Council engage with *Traditional Owners*.

I hereby declare that the information I have provided on this form is true and correct.
