12. The full or partial refund of paid fees is at the sole discretion of Council.

16. Hiring of the park does not give the hirer exclusive use of the park. The park is to remain available for other members of the public to use during the event. Public access to and use of park facilities must be maintained at all times, in particular walkways, stairs, bike paths and play equipment.
17. Only the event that has been approved can take place at the approved location and only on the date(s) and times that have been approved (including set up and pack up).
18. The hirer must be able to produce a copy of Council's approval letter at any time during the event, if requested by Council or the Queensland Police Service.
19. The hirer must take all measures to protect the safety of persons who are involved in, or may be affected by the event.

26. The applicant is required to obtain and adhere to all other necessary approvals, licences and/or permits that are required under any other legislation (whether Commonwealth, State or Local Government) for the running of the event.

Jumping castles may be stabilised with in-ground pegs for safety reasons, however, additional care must be taken where underground services are present. All advertising signs require approval; please contact Council's Regulatory Services Division for more information on 07 4970 0700.
30. Jumping castles, slip and slides and other amusements are not permitted without written approval from Council and must be hired through an approved hire company. 31. Where alcohol is only to be consumed (not sold), alcohol is not permitted without a separate written authorisation from Council and is strictly prohibited in all memorial parks. The consumption of alcohol is governed by the *Liquor Act 1992*. Permits will only be granted by Council if the applicant is 18 years of age and over, for a maximum time period of one day. The applicant's proof of age must be provided to Council with the Park Booking Application Form. Details of all approved alcohol consumption permits are forwarded to the Queensland Police Service. In the case where bins are not provided or are already full, the hirer must remove all rubbish from the park generated by the event. Large community entertainment events are required to provide additional bins and arrange for their removal during the event set up and pack up time at the hirer's expense.

Amplification of music or vocals must be controlled so not to disturb other park users and neighbouring residents. Amplifier devices are limited to the hours of 7:00am to 10:00pm on a business day or 8:00am to 6:00pm on any other day, unless otherwise requested and approved by Council in writing or directed by the relevant authorities.

46. Where an event requires temporary road and/or car park closures or the event will impact on the road reserve, the applicant must contact Council's Road Services Division on 07 4970 0700 to obtain the appropriate permits. The hirer may be required to lodge an application with the Department of Transport and Main Roads and notify all other relevant authorities. The fireworks contractor licence, valid for the date(s) of the event, must be provided to Council with the Park Booking Application Form. The hirer is responsible, at least one week prior to the event, to notify residents in the immediate vicinity of the fireworks display in writing and must publish a public notice in local newspaper.

50. The hirer is responsible for liaising with all emergency services prior to the event.
51. First aid services are considered critical for any event open to members of the public. The hirer is responsible for providing first aid services for the duration of the event.
52. Council and/or the Queensland Police Service may require the hirer to engage police officers, security guards and/or crowd control for the event. Please visit Queensland Police Service at [www.police.qld.gov.au](http://www.police.qld.gov.au) for further information and requirements.
53. The hirer must engage appropriate security where event infrastructure remains at the park overnight.
54. The hirer must take into consideration the potential impacts the event may have on residents, pets and businesses such as traffic access, delays, the duration and noise levels. Council requires appropriate methods of community consultation and pre-event communication to be undertaken by the hirer prior to the event.
55. A site plan must be completed and submitted to Council for all community entertainment events and must at a minimum contain all applicable items listed in item 23 site plan of the Park Booking Application Form. Event operations must remain in accordance with the site plan submitted with the application at all times.

58. For all school related events, the hirer is responsible for ensuring all students return to school or vacate the park at the completion of the event.
59. The hirer may need to pay a security bond for the event by a required date. Where the hirer is required to pay a security bond, failure to pay the bond by the required date will result in the park booking being cancelled. Upon payment of the security bond to Council, the hirer accepts:
  - a) The security bond will only be refunded after the event if the hirer has complied with all standard terms and conditions of use of the park and have left the park in a satisfactory condition after use.
  - b) If the park requires cleaning and/or repairs as a result of the hirer's use of the park, the hirer will be advised of the rectification works to be undertaken and the time in which this must be undertaken. Council will offer the opportunity of a joint onsite inspection to outline the works required.
  - c) If the hirer is unable to comply with this advice, Council will undertake the required works at the hirer's expense and will invoice the hirer for these costs.
  - d) If the invoice is not paid, the hirer accepts that Council may apply the security bond towards the payment of the costs and recoup from any balance not covered by the security bond as a debt.
  - e) If the security bond is greater than the costs incurred by Council and the hirer does not pay the invoice provided within 30 days of issue, the security bond will first be applied to the payment of the invoice and any balance will be refunded.
60. Council reserves the right to cancel the park booking at any time. Any breach of the standard terms and conditions may result in the event being cancelled immediately by Council or the Queensland Police Service.
