Privacy Statement: The personal information collected on this form will be used by Gladstone Regional Council for the purposes of fulfilling your request and undertaking associated Council functions and services. Council is authorised to collect this information in accordance with the *Local Government Act 2009 and other Local Government Acts*. Your personal information will not be disclosed to any third party without your consent, unless this is required or permitted by law. This Council document is subject to the provisions of the *Right to Information Act 2009*.

A Pre-lodgement meeting is a service offered by Council where formal discussions take place between an applicant and Council's officers in regards to a proposed development based on plans, documents and technical information provided by the applicant. Applicants should not rely on Council officers to identify all areas of concern during the Pre-lodgement meeting.

The formal development assessment process carried out by Council once a development application is lodged may raise additional issues to those discussed at the Pre-lodgement meeting.

The detail and accuracy of advice provided by Council officers is dependent on the level of detail provided by the applicant. Applicants should provide as much detail as they can (such as traffic advice, hydraulic advice, survey plans) for the Pre-lodgement meeting.

The advice provided by Council officers is based on the information and drawings supplied with this application only. Any changes to the information and drawings **MUST** be submitted to Council a minimum of 48 hours prior to the agreed meeting commencement date; otherwise, the Pre-lodgement meeting may be postponed or cancelled at the discretion of Council.

Minutes of the Pre-lodgement meeting will be provided to the applicant within 5 Business days from the meeting date.
