Beat the boredom this summer with Council's School Holiday Program

It's almost school holiday time again and the question on every parents' lips is "What can the kids get up to this summer?".

Gladstone Regional Council's School Holiday Program has got you covered.

Running on various days from 10 December 2021 until 23 January 2022 across a variety of Council venues, the School Holiday Program is sure to beat the boredom blues according to Gladstone Region Mayor Matt Burnett.

"This collaborative program features events and activities across all Council facilities that will have your kids exploring the region one day, creating a masterpiece or unleashing their imagination in play the next," Councillor Burnett said.

"Events and activities will take place at Gladstone Regional Libraries, Tondoon Botanic Gardens, Gladstone Entertainment Convention Centre and Gladstone Regional Art Gallery & Museum.

"Check out Council's website for a full list of what's on these holidays at each of our venues."
