## **‘Drop-in’ and have your say on the potential Agnes Water Skate Park upgrade**

Gladstone Regional Council will undertake community engagement during April on the potential redesign/upgrade of the Agnes Water Skate Park.

Gladstone Region Mayor Matt Burnett is inviting the community to have their say and share their ideas with us via our online survey on Conversations, or by joining us at a pop-up stall and workshop being held this month.

“We will be in the beautiful Discovery Coast, beginning tomorrow (Wednesday, 13 April) in order to seek community’s desires and preferences to help us make the best decision regarding designs for the potential upgrade,” Cr Burnett said.

### **Pop-Up Stall**

10am – 12pm, Wednesday, 13 April, Agnes Water Skate Park  
2.30pm-3.30pm, Wednesday, 20 April, Agnes Water Skate Park
