

REQUEST FOR SERVICES

21 March 2023

Luminous

ATTENTION FOOD VENDORS

Gladstone Regional Council (GRC) is calling on food vendors for Luminous 2023.

In 2023 Luminous will again light up the Tondoon Botanic Gardens with an illuminated, interactive and engaging community event that is 'Proudly Gladstone'. Through light, art and imagination, the community will explore the magic of Luminous for three nights on Thursday 13, Friday 14 and Saturday 15 July 2023.

In 2023, Luminous is celebrating its fifth event, with some of our favourite major activations reappearing!

FOOD VENDORS

Gladstone Regional Council invites local food vendors to apply to be a part of Luminous. To be considered, food vendors must serve a minimum of four (4) dishes or food options that are ready to serve (with minimal wait times) and be able to supply their own power. If food vendor uses generators they must be 'silent'.

Preference will be given to food vendors who use environmentally sustainable packaging, reside in the Gladstone Region and add value to the event (through their menu/service) preferably have favourable feedback from previous events.

All food vendors must comply with all food safety regulations and be available to trade from 5:30pm – 9:30pm for the three nights of the event. Luminous is a large-scale event with crowds of around 25,000 over three nights. A site fee will be applicable.

Proposals must be received by COB Monday 24 April 2023.

All applicants will be contacted by COB Friday 28 April 2023.

Submission of an application does not automatically guarantee a site at Luminous.
