HIRE CONDITIONS:

The Hirer:

1. On Pick up and Return to Council

- **For Council Site Safety** – Every person who hires any spray equipment **MUST** Stop and be signed in on entry, at the appointment time, to the Depots and escorted by a PMO to the spray units. Customer entering without an escort will be warned once, if repeated will be banned from hire of equipment.
- Must adhere to Councils Work Health and Safety Policy while on Council premises.
- Must complete Application for Hire of Council Spray Equipment (this form) and accept Hire Conditions.
- Must make payment of hire fees and refundable bond before collection of the unit, and present receipt of payment to Council personnel attending to loading of units.
- **Closed in footwear must be worn at all Council premises. Pick up may be refused if closed in footwear is not worn.**
- Must supply and use approved tie down straps (4 x 1.5 tonne) for securing the unit for transport. Using rope to secure the unit will not be accepted.
- Must provide own shackle and light adaptors to trailer units (**7 pin round plug**).
- Must wash down equipment to remove weed seeds, mud, dirt or contaminants and flush hoses and tanks with clean water prior to return.
- Must return equipment with empty water tanks; and fuel and gas bottles (if applicable) in the supplied state.
- Must complete an inspection with a Pest Management Officer on return of equipment. Where equipment is returned and Hirer leaves prior to inspection, the equipment will be inspected by a Pest Management Officer and the Hirer will be charged for any damage observed.

2. Whilst using the equipment:

- Must NOT use dye in the spray equipment.
- Must NOT change pump pressure.
- Must follow chemical labels for mixing and applying chemical.
- Must adhere to requirements of the *Agricultural Chemicals Distribution Control Act 1966* including, but not limited to:
 - Holding the relevant licenses if applying chemical with powered equipment on land you do not own;
 - Keeping herbicide application records for a minimum of 2 years.
- Must follow health and safety precautions including, but not limited to:
 - Wearing appropriate Personal Protective Equipment;
 - Consulting the Safety Data Sheet (SDS) for chemicals to be used.

3. Indemnification of Council

- Accepts that Council will not be held responsible for damage incurred from the misuse of the equipment, the substances to be used in the equipment, personal injury arising from failure to wear the recommended personal protective equipment or personal injury arising from the use of the equipment.
- Indemnify Council against any claims arising from the hirer's use of the equipment provided by Council.

4. Reimbursement of Council for damages to equipment returned damaged, not cleaned or not returned

- Agrees to pay to Council, within 30 days of invoice of the costs incurred by Council to the Hirer, the cost to Council for repairing and/or cleaning the equipment hired where that equipment is returned damaged or not cleaned;
- Agrees to pay to Council, within 30 days of invoice of the costs incurred by Council to the Hirer, the Council costs of replacing the equipment hired where that equipment is not returned by the Hirer to Council.

5. Use of Bond

- Where Council is required to issue an invoice for the repair, cleaning or replacement of equipment hired, the Hirer authorises Council to apply the hire bond towards the payment of such invoice and accepts that, where the bond is insufficient to cover the cost of repair, cleaning or replacement, the hirer remains liable for the balance of the costs of such repair, cleaning or replacement as invoiced by Council and will ensure that such balance is paid within 30 days of the issue of the invoice by Council to the hirer.
