7 July 2025

Enjoy bright lights and big adventures at Luminous

Get ready to glow beyond your imagination at Luminous 2025, with the iconic light spectacle returning to Gladstone Tondoon Botanic Gardens across three nights from 17-19 July.

Bright lights and big adventures await attendees as we celebrate seven years of Luminous and the beauty of nature after dark with more than 20,000 LEDs on display.

Gladstone Region Mayor Matt Burnett said that in addition to the amazing light displays, there will be illuminated art, roving entertainment and our dedicated 'Zen Zone' quiet space.

"Visitors will be captivated as they explore stunning light displays and illuminated art that bring the beauty of Gladstone Tondoon Botanic Gardens to life after dark," Mayor Burnett said.

"This year, we are expanding the Zen Zone – a dedicated area to decompress and escape the crowds – and we've also made a conscious effort to include a range of food vendors to support the inclusion of people with food allergies and dietary requirements.

"General admission tickets are only \$5, which is fantastic value and makes Luminous one of the most affordable ticketed light shows in Australia."

Luminous attendees can also enjoy free parking at Meteors and the Industry Carpark, while disability parking will be available in designated spaces before you enter the gates of Gladstone Tondoon Botanic Gardens.
