G/1. MAYORAL STATEMENT OF CURRENT ISSUES

Our Citizenship Ceremony was held on Monday 16 June 2025 with 39 new citizens choosing to make the Gladstone Region their home. Our Apprentice and Trainee Information session was held on Tuesday 17 June 2025 at the Phillip Street Communities and Families Precinct. I'm looking forward to signing up our new trainees and apprentices which will start with Council early next year.

One of the biggest events in the Gladstone Region was held on Saturday 21 June 2025 and Sunday 22 June 2025 which was the Mount Larcom Show. Thank you, Councillor Leanne Patrick, for attending and speaking on behalf of Council.

We had the Queensland Symphony Orchestra 'Symphony Under the Stars' on Friday 27 June 2025 and thank you Councillor Glenn Churchill for representing Council at that event. Always a fantastic event supported by our major industries and the Gladstone Port Corporation (GPC) and a free event held at the GPC Marina Parklands.

Yesterday we hosted the Central Queensland University (CQU) Mayor's Awards. Thank you, Councillor Simon McClintock, for joining me at the University. The Mayor's Awards are presented to year 12 students, and they are a bursary for students that choose to attend the local university here at CQU. It's some of the best, brightest future stars, in this instance it was engineering students, education students and medical science, 3 areas I'm sure we'll all agree we'd love to see more in our local region. Our reason for Council sponsoring this bursary is not only to recognise their hard work and the efforts they put into their fields, is that when you attend university locally, you're more likely to work locally when you finish your university degree.

We have a few more events coming up. The official opening of Hydrogen Park is tomorrow (Wednesday 2 July 2025). The Australian Gas Infrastructure Group have been operating for some time, but the official opening is tomorrow. Thursday 3 July 2025 is our Special Budget Meeting.

NAIDOC Week is happening from Sunday 6 July 2025 to Sunday 13 July 2025 and all the events are on the Council website. Luminous tickets are on sale for Luminous at the Tondoon Botanic Gardens from Thursday 17 July 2025 to Saturday 19 July 2025 - 3 nights of tickets events. Make sure you get in to get those \$5 per person and free for children under 5.

Before I wrap up, I want to talk about the National General Assembly (NGA) and thank you officers and Councillors Leanne Patrick and Mellissa Holzheimer who represented Council at that event. As the National President, I chaired the debate and the conference, and I can assure you that our Councillors did Gladstone proud, and their motions were passed on the floor. Well done, Councillors. It was an amazing event of 1,300 delegates of mayors, shire presidents, deputy mayors, councillors, and CEO's from around the nation coming together for the single largest event of local government in the nation. It was great to see a number of ministers and shadow ministers attend even though the sitting week was changed at the last minute. Thank you, Councillors, for attending that event.
