## Boil Water Notice in place for Bororen

Residents and visitors to Bororen are advised that a Boil Water Alert is in place following an unplanned water outage.

People should use cooled boiled water or bottled water for:

- Drinking
- Brushing teeth
- Preparing and cooking foods
- Washing raw foods such as fruit and vegetables
- Drinks and making ice
- Making baby formula
- Bathing babies.

Unboiled drinking water can be used for:

- Showering and bathing other than babies and small children (avoid getting water in the mouth)
- Washing dishes by hand or in a dishwasher
- Washing clothes
- Flushing toilets.

**Bottled water** is available at the Bororen Hotel for affected residents. Council employees will also deliver bottled water to individual households both today and tomorrow.

We apologise for any inconvenience this may cause and thank residents for their patience while our crews work to restore services as quickly as possible.

Stay up to date with water interruptions and updates on this unplanned outage by signing up to RegionWatch ([regionwatch.gladstone.qld.gov.au](https://regionwatch.gladstone.qld.gov.au)) – this allows Council to SMS affected residents directly and keep you up to date quicker.

Alternatively, residents can call Council for updates on 49 700 700.
