**G/0.3.4. DECLARATION OF INTERESTS**

**Cr Wagner**

Councillor Michelle Wagner advised that she has a previously declared declarable conflict of interest in relation to Agenda Item G/4.8. GARDEN ORGANICS IMPLEMENTATION VARIATION AND OPT-OUT CONDITIONS as the property she owns is larger than the proposed eligible property size to receive a garden organics (GO) service. Cr Wagner further advised that in accordance with her previous declaration, she will remain in the room and participate in the discussion but will not vote on the matter.

## **G/1. MAYORAL STATEMENT OF CURRENT ISSUES**

I would like to start by mentioning Senior's Month which was held across the region in October. Hugely successful event and well done to Kylie Lee, General Manager Community and Lifestyle, and her team including Jaclyn Iwasaka, Team Leader Community Development and everyone who put together a fantastic program of events right across the region, which is amazing. Not just focusing on the city but making sure those events happen right across the region.

The Gladstone Engineering Alliance (GEA) Major Industry Conference and Gala Awards Night were held on Wednesday 15 October 2025. Congratulations to everyone who received awards on the night and were acknowledged for their excellence in the Gladstone industry and engineering space.

On Thursday 16 October 2025, Minister Tim Ayres was in Gladstone to announce the Federal Government's \$2billion green aluminium production credit. Which is fantastic for Gladstone, fantastic for Boyne Smelter and reinforcing our role in Australia's clean energy and manufacturing future.

We had the Women of the World (WOW) Festival on Friday 17 October 2025 and Saturday 18 October 2025. Congratulations to our Deputy Mayor, Natalia Muszkat, and everyone who was involved in bringing that conference to town and putting on an amazing WOW Festival for Gladstone.

We had the 10-year celebration of the Discovery Christian College in Agnes Water on Saturday 18 October 2025. And we had the Gladstone Apprentice and Trainee Awards Ceremony on Thursday 23 October 2025. Councillor Simon McClintock and Councillor Chris Cameron attended the event. Congratulations to all the recipients: 1st Year Apprentice: Kobe Keevers; 2nd Year Apprentice: Wallace McVey; 3rd Year Apprentice: Nicholas Hall; 4th Year Apprentice: Trent Powell; Trainee: Liarna Dare; Program Participant: Hayley Ahern; Mentor: Ashley Webb; and a huge congratulations to Benjamin Knight who received the prestigious Col Brown Memorial Award.

On Sunday 26 October 2025, we opened the Bonsai House. And on Thursday 30 October 2025 and Friday 31 October 2025 we hosted the Local Authority Waste Management Committee (LAWMAC). Thank you, Councillors who were able to attend the Best In Business Awards on Saturday 1 November 2025. Congratulations to all the nominees and all the winners. A fantastic night at the Gladstone Entertainment Convention Centre (GECC).

Coming up on Saturday 8 November 2025, I'm very excited to attend the 50th Rio Tinto Yarwun and Queensland Alumina Limited (QAL) Martin Hanson Memorial Art Awards at the Gladstone Regional Art Gallery and Museum (GRAGM). And then we have Remembrance Day services right across the region on Tuesday 11 November 2025. Visit Council's website for more details on where services are being held.

On a sad note, on Saturday 15 November 2025 we will have the funeral for the late Jordana, Jordan and Chaz at the GECC. We have worked very closely with the family on providing the facility to say farewell to the three locals who tragically passed away in the house fire last month.

## G/5. COUNCILLORS REPORT

Councillor Leanne Patrick mentioned that she recently returned from Japan where she was successful in being sponsored and able to utilise her own funds to attend the Council of Local Authorities for International Relations (CLAIR) Local Government Exchange and Cooperation Seminar 2025 which was held from Sunday 26 October 2025 to Saturday 1 November 2025 in Kuroishi City, Aomori Prefecture, Japan.

Cr Patrick noted that the seminar focused on sustainable waste management, providing an opportunity to learn about innovative approaches to waste reduction, recycling systems, and community engagement strategies successfully implemented in Japan.

Cr Patrick highlighted that the experience allowed her to connect with international and fellow Australian local government representatives and explore practical solutions that could be adapted to our region, Queensland and Australia, now and well into the future.

Cr Patrick reaffirmed that the trip was wholly funded by CLAIR and herself. Cr Patrick mentioned that the insights gained will help inform future discussions on improving waste management practices within the Gladstone Region, supporting sustainability goals and reducing environmental impact. Cr Patrick noted that this aligns strongly with Council's strategic priorities around environmental stewardship and resource recovery. Cr Patrick advised that in the coming weeks, she will share a detailed highlight report with Council Officers and the community, outlining key learnings and potential strategies for collaboration and implementation locally.

Cr Patrick thanked CLAIR for providing this valuable opportunity to exchange knowledge and strengthen international cooperation.

Councillor Michelle Wagner mentioned that she was really impressed with the level of achievement by some of our secondary school students. Cr Wagner noted that Councillor Karen Davis and herself attended the Rosedale State School Awards night and that some of the outcomes being produced are out of this world for a small community. Cr Wagner encourage everyone who has the opportunity to get down there and have a look at the wealth of talent and acumen of those students. Cr Wagner mentioned that she spoke with four of the students from the school who are looking at studying medicine, nursing and occupational therapy.

Cr Wagner mentioned that she attended the Toolooa State High School Presentation and had the pleasure of, not just listening to their band - who were amazing, but also visiting their new arts building, which was funded by the State Government. Cr Wagner highlighted that the facility was very impressive. Cr Wagner acknowledged the level of achievement of the students is a real credit to the school.

Cr Wagner mentioned that she attended the Youth Council meeting last night (Monday 3 November 2025) and, not only did she see the talents of those students in developing 'Sunny', which is a character to promote sun safety, but heard a story that there is a lady in the community who saw the 'Sunny' character and was quite taken by the messaging and went and had her skin checked. Cr Wagner noted that from that skin check, a melanoma was found and she was able to receive treatment and is thankful for the chance encounter with the students and their message. Cr Wagner applauded the Youth Council for the good work that they are doing and acknowledged that they are volunteering a lot of their time in the community to support events. Cr Wagner noted that it is great to see our community in great hands.

Councillor Glenn Churchill mentioned the official opening of the Gladstone Tondoon Botanic Gardens (TBG) Bonsai House on Sunday 26 October 2025 in the presence of Councillor Natalia Muszkat, Councillor Chris Cameron, Chief Executive Officer (CEO), Leisa Dowling, Manager Tondoon Botanic Gardens, Barry Meiring, Friends of Bonsai and representatives from the Saiki Sister City Committee. Cr Churchill highlighted that the Bonsai House has been christened 'Yūjō' which is 'house of friendship'.

Cr Churchill highlighted that the Bonsai House project has been a project of love for a long period of time and the dream has come true for the wonderful volunteers and Friends of the Bonsai. Cr Churchill provided a brief history of the project including that the journey began 10 years ago with the master plan developed and delivered suggesting the development of the southern bank of Lake Tondoon for the new Bonsai House. Cr Churchill further mentioned that there has been a lot of activity with the bonsai workshops at the TBG and other parts of the Gladstone Region and 2017 saw a significant milestone where the Friends of Bonsai volunteer group were formally formed to help and develop the growth of the bonsai collection. Cr Churchill acknowledged the Friends of Bonsai for educating the community with workshops and bonsai exhibitions, with one attracting over 1,200 attendees, and hosting World Bonsai Days in the Japanese Tea garden.

Cr Churchill mentioned that the Bonsai House strengthens the international relationship with Saiki Sister City. Cr Churchill highlighted that the popularity of bonsai is growing and that another significant milestone for the Gladstone Region is that this is the first Bonsai House outside of the major city, Brisbane, the second Bonsai House in Queensland but first in regional and rural Queensland. Cr Churchill thanked and congratulated all those who have been involved, past and present and acknowledged those who may be involved in the future. Cr Churchill highlighted that TBG are receiving donations of bonsai of value to the collection which demonstrates people wanting to play an active part in the Bonsai House.
