 NOBLE PARK VIC 3174

Date: 9 January 2026

This notice is given to you by Gladstone Regional Council, and relates to property described as Lot 11 RP 899969, situated at 203A Auckland Street, SOUTH GLADSTONE QLD 4680.

**Background**

This notice is given because rates or charges levied by the Council on the above property are at least 3 years overdue or default judgment has been granted by the Magistrates Court on vacant or commercial land. Where rates or charges on a property are more than 3 years overdue, or are more than 1 year overdue and default judgment has been granted by the Magistrates Court on vacant or commercial land the Council may sell the property at public auction and use the proceeds to discharge the overdue rates or charges.

The Council is required to issue a Notice of Intention to Sell Land to the property owner giving details of its decision and giving the owner a final opportunity to pay the overdue rates or charges. If the overdue rates or charges are not paid within 3 months of this notice, the Council will issue an Auction Notice to the property owner and commence proceedings to sell the property. The sale proceedings will be discontinued if the amount of all overdue rates or charges levied on the land, and accrued interest and all expenses incurred by the Council for the intended sale, are paid to it.

The Council has decided to apply this procedure to your property described above. This document gives you notice of the matters which Council is required to notify under the *Local Government Regulation 2012* to give you a final opportunity to pay the overdue rates or charges and prevent sale of the land by Council.
